

# Pamper Parties

Girls love to have their hair and nails done. If you are thinking of trying something new to pamper your little angle then we have the party for you. We have put together a range of packages to offer you stress free organised parties. Staffs are qualified to a high standard with all holding a NVQ level 3 advanced qualification. No more mess and tidying up after!

Our salon offers hairdressing, beauty and nail services all under one roof in a professional spacious environment. How much fun is your little one going to have!

Salon owner is (CRB) checked so parents do not have to stay at the salon if they need a few hours to themselves. Pamper party's can be held at various times and days, please come and visit us or ring to book.

## Client Testimonials:

"Pamper party was great for my 8 year old daughters party. Everything ran smoothly and the staff took care of everything right down to the cake! The staff made the party so much fun for the girls and they all commented it was the best party they had ever been too. I think the salon will soon be booked up! Many thanks to all the staff for making it such a special day for Samantha".
